THE SKINNY-TO JACKED KIT

The exact starting point I wish someone handed me
when I was the skinniest kid in the room.

YO, ALLAN HERE.

I was the skinniest kid in the room. Couldn't gain weight no matter what I ate. Lost, no discipline, no clue. The gym changed all of it. This is the exact starting point I wish someone handed me. No fluff, run it for 30 days and you'll see it move.

It's you against you. Let's go.

THE 3-DAY "GROW" SPLIT

Train 3 days/week, rest a day between. Every set: leave 1-2 reps in the tank, and add weight or a rep whenever you can. **Progress > perfection.**

DAY A, PUSH

Incline dumbbell press	4 × 8-10
Flat machine / barbell press	3 × 8-10
Shoulder press (DB or machine)	3 × 10
Lateral raises	3 × 12-15
Triceps pushdown	3 × 12

DAY B, PULL

Lat pulldown (or pull-ups)	4 × 8-10
Seated cable row	3 × 10
Chest-supported DB row	3 × 10
Face pulls	3 × 15
Barbell / DB curls	3 × 10-12

DAY C, LEGS + CORE

Goblet or back squat	4 × 8-10
Romanian deadlift	3 × 10
Leg press	3 × 12
Leg curl	3 × 12
Hanging knee raises	3 × 12

Warm up 5 min, then 1-2 light sets on your first exercise. Done in ~50 min.

EAT TO GROW

You're not gaining because you're not eating enough. Period.

STEP 1 · YOUR GROW-CALORIES

Bodyweight (lbs) × **17** = daily target. (160 lb → ~2,720 cal.) Not gaining after 2 weeks? Add 200.

STEP 2 · PROTEIN

About **1 gram per pound of bodyweight**, every single day. Non-negotiable.

STEP 3 · EAT ON A SCHEDULE

Skinny guys forget to eat, put it on the clock: breakfast + protein, lunch, pre-gym snack, **post-gym shake**, dinner, and protein before bed.

THE DEMON BULK SHAKE

1 scoop whey · 1 cup oats · 1 banana · 2 tbsp peanut butter · 2 cups whole milk · drizzle of honey.
Blend. Drink. Grow.

PART 3

THE NOTEBOOK METHOD

Lifting built my body. This built my life. Every night, open a notebook:

1 Write your goal like it already happened: **"I'm jacked, disciplined, unstoppable."**

2 One line, what did I do good today?

3 One line, what can I work on?

Speak it, write it, repeat it. The one who speaks it into the world receives from the world. Discipline isn't a feeling, it's a decision you make on paper first.
